

[Invested Interests](#) is pretty simple. We want to provide the best information on personal finance and social investment. Anyone can use our information and tools as a resource and we'd like nothing more than for you to find our site useful. Please tell other people about us; we strongly believe that the more people know about these issues, the better the world can be.

We are experienced [investment advisors](#) and web developers that believe [socially responsible investing](#) is an important movement. Our generation is looking for opportunities to create positive change through commerce. Everyday choices, when informed, can become powerful votes for social and economic improvement.

We are not trying to be a perfect organization, but we are trying to grow a business that has a social component. We're offering something different, something people need and we're having a good time doing it.

What's Coming Up

The coffee shop list and forum are very basic at this time, rest assured we have lots of plans for upgrading the functionality (search by state, city, etc.) down the road. If you have ideas or suggestions, we always welcome feedback from our visitors. Just use the contact button at the bottom of the page.
